Ohio Administrative Code

Rule 4765-23-03 Fire service report of administrative actions.

Effective: November 1, 2026

(A) When the executive director takes administrative action against a firefighter, fire safety inspector, fire instructor, assistant fire instructor, live fire instructor, or fire safety inspector instructor certificate or fire charter, the division shall advise:

(1) The person against whom such action is taken;

(2) The certificate holder's employer, if known;

(3) Any state or public agencies for which such notice is appropriate.

(B) All administrative actions issued by the executive director may be published on the division's website.

(C) The division may compile on an annual basis a report detailing the complaints received, investigations conducted, and administrative actions taken.
