

Ohio Administrative Code

Rule 4765-7-07 Notification to the board.

Effective: [September 1, 2026](#)

- (A) An EMS accredited or EMS approved program shall provide written notice to the division no later than ten days after a change in any of the following:
- (1) Mailing address;
 - (2) Authorizing official name and/or contact information;
 - (3) Program director name and/or contact information;
 - (4) Authorizing official supervisor's name and/or contact information, if authorizing official is also the program director;
 - (5) Program medical director name and/or contact information;
 - (6) Program email address; or
 - (7) Instructor trainers
- (B) Prior to implementation, each EMS accredited or EMS approved program shall submit a written request to the division, and receive approval from the board of proposed changes in any of the following:
- (1) Fixed geographic location where the accredited or approved program is operating and training is conducted, including the office where records are maintained;
 - (2) Offsite locations;
 - (3) Offsite testing locations;
 - (4) Test Proctors;
 - (5) "Written Testing Agreement EMS Accredited Institutions," when it involves a change in location, facilities, program director, authorizing official, or authorizing official supervisor if authorizing official is also the program director;
 - (6) Previously approved online education or distance learning curriculum; or
 - (7) Program name.
