

Ohio Administrative Code

Rule 4766-3-14 Regulations for out of state providers.

Effective: April 16, 2012

The exemption from licensure in division (B) of section 4766.09 of the Revised Code exempts out of state ambulance services receiving a client in Ohio for transport to a location not within Ohio or when transporting a client received in another state to an Ohio destination. An out of state ambulance service that receives a client in Ohio for transportation to a location in Ohio shall be licensed and is subject to Chapter 4766. of the Revised Code and rules under this chapter and to all applicable fines and sanctions for any violation thereof.
