

Ohio Administrative Code

Rule 4766-5-12 Temporary use of aircraft and disaster operations.

Effective: May 1, 2026

[Comment: For dates and availability of material incorporated by reference in this chapter of the Administrative Code, see rule 4766-5-18 of the Administrative Code.]

- (A) No AMSO shall operate an aircraft without a permit issued in accordance with section 4766.07 of the Revised Code except as provided in paragraph (E) of this rule.
- (B) An AMSO aircraft that has not been issued a permit by the board may be issued a temporary permit, for a period not to exceed sixty days, if the aircraft is used to replace a permitted AMSO aircraft that has been temporarily taken out of service for repair or maintenance or is being permanently replaced. In order to obtain a temporary permit, an AMSO shall submit a request for a temporary aircraft permit using the MTLIS online system containing:
- (1) Identification number of the permitted AMSO aircraft;
 - (2) Date permitted AMSO aircraft was placed out of service;
 - (3) Identification number of the AMSO aircraft to receive a temporary permit;
 - (4) Date temporarily permitted AMSO aircraft is to be placed in service.
- (C) The AMSO shall clearly and conspicuously display the temporary aircraft permit in any temporary aircraft used by the AMSO.
- (D) A temporarily permitted aircraft shall not be operated unless it meets the requirements set forth in paragraph (B) of rule 4766-5-08 of the Administrative Code and the insurance requirement set forth in division (B) of section 4766.06 of the Revised Code.
- (E) In the event of a disaster situation when permitted aircraft based in the locality of the disaster situation are incapacitated or insufficient in number to render services needed, a licensed AMSO may utilize whatever means necessary to transport and treat patients.
