Ohio Administrative Code

Rule 4781-11-07 Notification of change of information.

Effective: November 12, 2026

(A) Each licensed manufactured housing dealer and manufactured housing broker shall notify the division of real estate and professional licensing of any change in status as a manufactured housing dealer or manufactured housing broker during the period for which the dealer or broker is licensed, if the change of status concerns any of the following:

(1) Personnel of owners, partners, officers, or directors;

(2) Location of an office or principal place of business;

(3) Name or business structure under which the dealer or broker conducts business.

(B) The notification required by paragraph (A) of this rule shall be made by filing with the division, within fifteen days after the change of status, a supplemental statement in a form prescribed by the division showing in what respect the status has been changed.
