

Ohio Administrative Code

Rule 4781-12-15 Number of plumbing fixtures.

Effective: January 20, 2020

A park service building or buildings required by rule 4781-12-14 of the Administrative Code, shall have one toilet, one lavatory, and one bath fixture for each sex for each fifteen manufactured mobile homes or fraction thereof not provided with complete plumbing fixtures. Water-flushed urinals may be substituted for not more than twenty-five per cent of the required toilets in such park service buildings.
