

Ohio Administrative Code

Rule 4781-12-18 Solid waste, collection and storage.

Effective: January 20, 2020

(A) No solid wastes shall be permitted to accumulate in manufactured home parks except in containers as hereinafter described.

(B) Rust-resistant, watertight, non-absorbent, and easily washable containers covered with close-fitting lids shall be provided in convenient locations at manufactured home parks and shall be in sufficient numbers to contain all solid wastes accumulated between collections. All containers shall be washed and treated with a disinfectant as often as necessary to prevent nuisance.

(C) All solid wastes shall be collected from manufactured home parks at least once each week.
