

## Ohio Administrative Code

### Rule 4901:1-19-04 Procedures for exemption applications filed pursuant to section 4929.04 of the Revised Code.

Effective: [September 29, 2013](#)

---

(A) During the processing of the application, the commission may dismiss any application which does not substantially comply with the filing requirements of rule 4901:1-19-03 of the Administrative Code.

(B) After notice and a period for public comment, the commission shall conduct a hearing upon an application by a natural gas company with fifteen thousand or more customers for an exemption of any commodity sales service or ancillary service. The commission may, upon its own motion, conduct a hearing upon such an application by a natural gas company with fewer than fifteen thousand customers.

(C) Discovery shall be served no later than twenty calendar days prior to hearing unless a different deadline has been specified in an order of the commission for the purposes of a specific proceeding.
