

Ohio Administrative Code Rule 4901:1-27-09 Certification renewal.

Effective: July 15, 2024

(A) No less than thirty and no more than ninety days prior to the expiration date indicated on the retail natural gas supplier's or governmental aggregator's certificate, the retail natural gas supplier or governmental aggregator shall file an application with the commission for certification renewal on forms provided by the commission.

(B) If any renewal application is filed fewer than thirty calendar days prior to the expiration date indicated on the certificate, but no later than the expiration date on the certificate, then the existing certificate automatically will be extended 31 days from the date the renewal application was accepted by the commission.

(C) The applicant shall, as instructed by the renewal form, update the information supplied with an applicant's initial certification application.

(D) The commission will act to approve, deny, or suspend an application for certification renewal pursuant to the same processes, standards, and timelines delineated in rule 4901:1-27-10 or 4901:1-27-13 of the Administrative Code.
