

Ohio Administrative Code Rule 4901:1-41-02 Purpose and scope.

Effective: [October 7, 2019](#)

(A) This chapter provides rules for the reporting of greenhouse gas emissions, including participation in the climate registry, and carbon dioxide control plan requirements for each electric generating facility that is located in this state, is owned and operated by a public utility that is subject to the commission's jurisdiction, and emits greenhouse gases, pursuant to section 4928.68 of the Revised Code.

(B) The commission may, upon an application or a motion filed by a party, waive any requirement of this chapter, other than a requirement mandated by statute, for good cause shown.
