

Ohio Administrative Code Rule 4901:2-7-21 Remedy ordered.

Effective: July 22, 2016

If justified by the evidence in any hearing, the commission may order payment of a forfeiture greater than, less than, or equal to the forfeiture requested in the notice of intent to assess forfeiture or the notice of preliminary determination. The commission is not restricted in the making of any compliance order by the order proposed in the notice of intent to make compliance order or the notice of preliminary determination, if another order is justified by the evidence.
