

Ohio Administrative Code Rule 4906-2-06 Computation of time.

Effective: December 11, 2015

Unless otherwise provided by law or by the board:

(A) In computing any period of time prescribed or allowed by the board, the date of the event from which the period of time begins to run shall not be included. Going forward, the last day of the period so computed shall be included, unless it falls on a Saturday, Sunday, or legal holiday, in which case the period of time shall run until the end of the next day which is not a Saturday, Sunday, or legal holiday. Going backwards (e.g., expert testimony shall be filed five days before the start of the hearing), the last day of the period so computed shall be included, unless it falls on a Saturday, Sunday, or holiday, in which case the period of time shall move forward (e.g., toward the start of the hearing) to a day that is not a Saturday, Sunday, or legal holiday. Unless otherwise noted, time is measured in calendar, not business days.

(B) If the board office is closed to the public for the entire day that constitutes the last day for doing an act or closes before its usual closing time on that day, the act may be performed on the next succeeding day that is not a Saturday, Sunday, or legal holiday.
