(8) The center shall provide sleeping arrangements so that sleeping children are cared for separately from children who are awake, and so that sleeping children are not disturbed by arrivals and departures.

(9) The center shall ensure areas where children sleep during evening and overnight care are on the building's ground floor unless another floor has been approved for the care of sleeping children by the local fire official having jurisdiction.

(10) The provider shall have activities before bedtime which allows for children's individual choices and needs. Activities may include meals, play, homework, relaxation, personal grooming, and outdoor play during daylight hours.

(6) Provide children access to running water, liquid soap and toothpaste.

(7) Ensure bathtubs and showers are equipped to prevent slipping, if the center provides bathing. The center shall also have written permission from the parent prior to allowing the child to bathe.

(8) Ensure bathtubs and showers are cleaned and sanitized after each use. The tub or showers do not have to be sanitized between uses if the children are siblings and the parent has provided written consent. All children shall bathe separately unless the children are siblings and the parent has provided written consent that the children can be bathed together.
