

Ohio Administrative Code Rule 5101:2-25-02 Title XX administration.

Effective: July 1, 2019

(A) A county department of job and family services (CDJFS) that purchases services and those parties the CDJFS has under contract to provide Title XX services shall administer Title XX services in accordance with the requirements of Title XX of the Social Security Act, 88 Stat. 2337 (1974), 42 U.S.C. 1397 (2010), section 5101.46 of the Revised Code, and Chapter 5101:2-25 of the Administrative Code. (G) When contacted by a consumer or responsible person or agency seeking Title XX services, the CDJFS or provider agency under contract with the CDJFS shall provide an application for Title XX services to the person making the request. An application is not required when services are offered without regard to income.

(H) The CDJFS or provider agency under contract with the CDJFS shall ensure upon the receipt of the application the following:

(1) The consumer or responsible person or agency acting on behalf of the consumer is the person submitting the application for Title XX services.

(I) Protective services for adults and children and information and referral services may be provided without regard to income and do not require an application. Protective services cases require a case record that documents the circumstances of actual or potential abuse, neglect, or exploitation of the adult or child.

(J) All providers of Title XX services shall comply with any licensing, certification, or approval required by state or federal law or regulation.

(L) Pursuant to section 1397d(a)(9)(A) of the Social Security Act, providers excluded from

medicare participation are not eligible to receive Title XX funds either directly or indirectly. Neither the CDJFS nor providers of services under Title XX funding shall employ or contract with excluded individuals.

(M) Reimbursement is available for minor medical or remedial care only when the medical care is integral but subordinate to the provision of the social service to which the medical care is a part.

(N) Title XX funds may not be utilized for:

(1) Purchase or improvement of land, or the purchase, construction, or permanent improvement (other than minor remodeling) of any building or other facility.

(2) Provision of cash payments for cost of subsistence or for the provision of room and board (other than costs of subsistence during rehabilitation, room and board provided for a short term as an integral but subordinate part of a social service, or temporary emergency shelter provided as a protective service).

(4) Provision of medical care (other than family planning services, rehabilitation services or initial detoxification of an alcoholic or drug dependent individual) unless it is an integral but subordinate part of a social service for which grants may be used under 42 U.S.C. 1397d of the Social Security Act.

(5) Social services (except services to an alcoholic or drug dependent individual or rehabilitation services) provided in and by employees of any hospital, skilled nursing facility, intermediate care facility, or prison, to any individual living in such institution.

(6) Provision of any educational service which the state makes generally available to its residents without cost and without regard to their income.
