

Ohio Administrative Code Rule 5101:2-9-31 Laundry facilities.

Effective: November 1, 2013

(A) Each residential facility shall have operable laundry facilities at the facility, or contract with a vendor of laundry services.

(B) If a residential facility furnishes laundry facilities for use by children or teenage mothers within the facility, it shall provide necessary laundry supplies and shall locate these facilities in an area that:

(1) May be readily supervised by an adult.

(2) Is equipped with washers and dryers that do not require payment to operate.
