

Ohio Administrative Code Rule 5122-25-01 Applicability.

Effective: August 1, 2026

(A) Statement of applicability

In general, the rules in this chapter apply to any person or government entity that provides or seeks to provide one or more certifiable services or supports, including (1) a person or government entity that operates or seeks to operate an opioid treatment program, (2) a person or government entity that operates or seeks to operate a class one residential facility as defined in section 5119.34 of the Revised Code, and (3) a board of alcohol, drug addiction, and mental health services that is, under section 340.037 of the Revised Code, approved by the director to provide any certifiable service or support. Paragraph (B) of this rule contains the exemptions from that general rule and paragraph (C) of this rule sets forth the specific standard that applies to federally-qualified health centers (FQHCs) and FQHC look-alikes.

A person or government entity to whom this chapter applies is referred to as a "provider."

(B) Exemptions

All of the following are exempt from the provisions of this chapter:

- (1) In accordance with division (B) of section 5119.35 of the Revised Code, an individual who holds a valid license, certificate, or registration issued by this state authorizing the practice of a health care profession that includes the performance of any service that is required to be certified as described in this section, regardless of whether the service is performed as part of a sole proprietorship, partnership, or group practice.
- (2) In accordance with division (B) of section 5119.35 of the Revised Code, an individual who provides any service that is required to be certified as described in this section as part of an employment or contractual relationship with a hospital outpatient clinic that is accredited by an accreditation agency or organization approved by the director of behavioral health.
- (3) A person or government entity where a rule specifically exempts that person or government entity from the rule obligation.

(C) Specific standard applicable to federally-qualified health centers (FQHCs) and federally-qualified health center look-alikes (FQHC look-alikes)

- (1) An FQHC or FQHC look-alike is subject to the rules in this chapter when the FQHC or FQHC look-alike provides or seeks to provide one or more of the following certifiable services or supports as part of the FQHC or FQHC look-alike designation as "out of scope":
