

Ohio Administrative Code

Rule 5122-30-09 Maximum resident and household capacity.

Effective: January 1, 2018

(A) The department shall determine the maximum number of residents and the maximum number of household members for which each facility shall be licensed and shall state the maximum number on the license issued to the facility. The maximum number of residents shall not exceed the number of residents as specified on the license.

(B) The maximum number of residents and household members for which a facility is licensed shall be based on the requirements set forth in rule 5122-30-14 of the Administrative Code.

(C) Class 2 and 3 facilities shall notify the department's bureau of licensure and certification, in writing, prior to allowing any additional person(s) to reside in the facility for more than forty-eight hours if the facility will exceed the maximum number of household members identified on the license. Additional persons may reside in the facility for no longer than fourteen days in a year.

(D) No residential facility serving children/adolescents residents shall accept adult residents, nor shall any residential facility serving adult residents accept children/adolescents residents.
