

Ohio Administrative Code Rule 5122-31-06 Waivers and variances.

Effective: August 10, 2026

- (A) A recovery housing residence may submit a dated, written request to the department for a waiver or variance. The written request is to clearly state the rationale and need for the requested waiver or variance and the consequence of not receiving approval of the request.
- (B) Upon receipt of a written request for a waiver or variance that provides a clear and valid statement of need, the department in its discretion may grant a waiver or variance for a period of time determined by the department that does not exceed the expiration date of the current certification.
- (C) The department will acknowledge and respond to the waiver or variance request within thirty days of receipt by the department.
- (D) The department's refusal to grant a waiver or variance, in whole or in part, is final and not subject to an adjudication under Chapter 119. of the Revised Code.
