

Ohio Administrative Code

Rule 5122-31-15 Requirements for persons with disabling conditions.

Effective: August 10, 2026

Each recovery housing residence in which one or more of the residents has a physical disability will make reasonable accommodations including, but not limited to:

- (A) Making the recovery housing residence readily accessible to and usable by persons with a physical disability; and
- (B) Providing all communications to residents in a manner that is accessible and understandable to them, which may include the use of readers, interpreters, braille, large print, or providing appropriate telecommunication relay services (TRS).
