

Ohio Administrative Code Rule 5122-31-23 Recovery supports.

Effective: August 10, 2026

-
- (A) Each recovery housing residence will encourage residents to participate in recovery supports.
 - (B) Residents of a recovery housing residence will be encouraged to participate in community activities and social events. The recovery housing residence staff will demonstrate a reasonable effort to facilitate and support such involvement and provide transportation or information about the accessibility of transportation.
 - (C) Each recovery housing residence will ensure reasonable amounts of time for staff to engage in or facilitate social and recreational activity with residents through its staffing plan.
