

Ohio Administrative Code

Rule 5180-66-03 Members.

Effective: [October 25, 2021](#)

The PAMR board shall assess current board membership for geographic and demographic representation, and areas of expertise concerned with the care of pregnant and postpartum women. Annually, the board will identify gaps or insufficient representation and draft a list of potential new members for consideration. This list shall be provided to the director of health to review and appoint new members.
