

Ohio Administrative Code

Rule 5180:2-13-06 Procedures for a family child care provider operating under a provisional license.

Effective: October 29, 2021

(A) How long is a provisional license valid for a newly licensed family child care provider?

A provisional license for a newly licensed family child care provider is valid for at least twelve months and until the continuous license is issued, unless revoked pursuant to rule 5101:2-13-05 of the Administrative Code.

(B) What requirements shall the family child care provider meet for the provisional license to be amended to a continuous license at the end of the provisional period?

By the end of the provisional period, the provider shall:

(1) Be in compliance with Chapter 5101:2-13 of the Administrative Code.

(2) Have children, for whom the provider receives compensation, enrolled and attending the home.

(a) If the provider has not served any children during the provisional period, the provisional period shall continue for up to twelve additional months or until children have been enrolled, whichever comes first.

(b) The county agency shall complete an inspection with children in attendance prior to recommending a continuous license.
