

Ohio Administrative Code

Rule 5180:2-9-18 Recreation and leisure activities and equipment.

Effective: [May 1, 2023](#)

(A) A residential facility shall have a recreational program and make available recreational equipment and activities sufficient to implement its recreational program. All recreational equipment necessary for the implementation of the recreation program shall be maintained in a safe and usable condition.

(B) A residential facility shall make available in each living unit within the facility, leisure-time equipment appropriate to the age and developmental stage of the children housed in each residential unit.

(C) A residential facility shall have a written plan for supervising organized or structured group activities. All off site activities shall comply with rule 5101:2-9-02 of the Administrative Code.

(D) A residential facility shall permit the children to swim only when monitored by a person who has completed lifesaving or water safety training.
