

## Ohio Administrative Code

### Rule 5501:2-1-06 Emergency permit application procedure.

Effective: October 4, 2018

---

The permit application procedures described in rule 5501:2-1-03 of the Administrative Code are fully applicable to emergency permit applications except that the permit application may be made by telephone and the permit, if granted, may be granted orally. If permission to make the emergency movement is granted orally, then a written application describing the movement and the required fee must be submitted on the next business day.
