

Ohio Administrative Code

Rule 5501:2-1-15 Regional heavy haul permits.

Effective: October 4, 2018

(A) The definition of regional heavy haul permit set forth in paragraph (EE) of rule 5501:2-1-01 of the Administrative Code shall apply to permits issued under this rule. The permit application procedures set forth in paragraphs (A), (D), (E), (F), (G), and (H) of rule 5501:2-1-03 of the Administrative Code shall apply to regional heavy haul permit applications.

(B) The applicant for a regional heavy haul permit shall provide an accurate and complete description of the vehicle and load to be moved and proposed routing thereof. The information shall include all physical dimensions, axle weights and the gross vehicle weight. Inaccurate or otherwise incomplete applications may result in a rejection of the application or a delay of the issuance of a permit. Failure to propose a specific route on the application or failure of the proposed routing to accommodate the load shall result in the assignment of the best available route as determined by the director or their designee.
