

## Ohio Administrative Code Rule 5507-1-15 Logging/recording.

Effective: [May 25, 2026](#)

---

- (A) The PSAP will have the capability of logging/recording 9-1-1 requests for service including voice, data, video, available I3 9-1-1 data, and other media, if used.
- (B) The PSAP will retain recordings in accordance with state law and local records retention requirements.
- (C) The PSAP will provide telecommunicators the capability to instantly play back recent 9-1-1 requests.
