

Ohio Administrative Code Rule 5537-2-06 Entering traffic lanes.

Effective: [March 3, 2001](#)

Upon entering a traffic lane from a service plaza, interchange, shoulder, or entrance ramp, the operator of a motor vehicle shall use the acceleration lane or and the operator shall enter the outer lane with caution so as not to interfere with or endanger traffic. The operator of a vehicle entering a traffic lane shall yield the right of way to vehicles already on the traffic lanes.
