

Ohio Administrative Code Rule 5537-2-09 Driving lane - passing.

Effective: [March 3, 2001](#)

The operator of a motor vehicle shall drive in the outer and center traffic lanes in the designated direction for traffic, except when lawfully crossing from one lane to another. The operator of a motor vehicle shall use the inner traffic lanes for passing only. Where three traffic lanes are provided for the same direction of travel, heavy commercial vehicles and vehicles operated at a rate of speed below the maximum in effect shall drive in the outer lane and shall use the center lane for passing only.
