

## Ohio Administrative Code Rule 5537-4-03 Loss of toll ticket.

Effective: September 1, 2023

---

The operator of a motor vehicle who, for any reason, does not have a toll ticket or electronic tolling transponder detected upon entering the turnpike shall be charged, upon reaching the exit toll plaza within the closed ticket system at which the vehicle operator seeks to leave the turnpike, a toll for the applicable vehicle classification which is calculated as if the vehicle traveled from the most distant toll plaza within the closed ticket system.
