Ohio Administrative Code

Rule 901:10-2-11 Contents of manure management plan: distribution and utilization methods.

Effective: November 1, 2026

(A) If the owner or operator elects to use distribution and utilization methods, for any quantity of manure that is not managed under the control of the owner or operator, the following is required:

(1) If the owner or operator decides to use livestock manure brokers or auctions or farm sales for distribution and utilization, the owner or operator shall submit distribution and utilization methods for the beneficial use of the manure as part of the manure management plan as required by rule 901:10-2-09 of the Administrative Code. The concentrated animal feeding facility operating record shall include copies of the acknowledgments between the owner and operator of the facility and livestock manure brokers made pursuant to auctions or farm sales. The facility operating acknowledgment shall include the following statement:

"I have been provided with a copy of the analytical results that list the nutrient content of the manure and total quantities of manure and copies of the applicable requirements of rule 901:10-2-14 of the Administrative Code. The manure will be distributed and utilized according to the best management practices and according to any state laws regulating these uses."

(2) If the owner or operator decides to use distribution and utilization methods then the owner or operator shall provide a copy of appendices A, C, and E to rule 901:10-2-14 of the Administrative Code, and a copy of the most recent analytical results that list the nutrient content of the manure based on an analysis consistent with the rules to the manure recipient. The concentrated animal feeding facility operating record shall include the name and address of the manure recipient, the date of distribution, and the approximate amount of manure in tons or gallons distributed on that date and an acknowledgment by the manure recipient as follows:

"I have been provided with a copy of the analytical results that list the nutrient content of the manure and total quantities of manure and copies of the applicable requirements of rule 901:10-2-14 of the Administrative code. The manure will be distributed and utilized according to the best management practices and according to any state laws regulating these uses."

(3) In addition to the information in paragraph (A)(2) of this rule, if the owner or operator decides to use distribution and utilization methods for liquid manure, then the owner or operator shall also provide a copy of appendix B, the available water capacity chart that illustrates how to comply with the requirements of rule 901:10-2-14 of the Administrative Code.

(B) All of the information in paragraphs (A)(1) to (A)(3) of this rule shall be recorded in the operating record as described in rule 901:10-2-16 of the Administrative Code.

(C) An estimated amount of total manure transferred to other persons by the owner or operator in the previous twelve months (tons/gallons) shall be reported in the annual report required by rule 901:10-2-20 of the Administrative Code, as well as the operating record.

(D) If the owner or operator is notified by the director, or otherwise becomes aware that the recipient is not in compliance with rule 901:10-1-06 of the Administrative Code, the best management practices set forth in Chapter 901:13 of the Administrative Code, section 903.40 of the Revised Code, or with other applicable laws and rules, the owner or operator shall cease providing manure to the recipient until written authorization to continue is provided by the department.
