

Ohio Administrative Code Rule 901:12-9-02 Feed and Water.

Effective: September 29, 2011

(A) Water may be withheld based on specific direction, written or verbal, of a licensed veterinarian and only for the period of time specified by the veterinarian; or,

(B) Water may be restricted or withheld temporarily by the responsible party in circumstances such as:

(1) Preparation for administration of vaccines or medication in the water;

(2) Preparation for transportation; or,

(3) Specific management practices, according to the farms operating procedures.
