

Ohio Administrative Code Rule 901:12-9-02 Feed and water.

Effective: February 13, 2025

- (A) Water may be withheld based on specific direction, written or verbal, of a licensed veterinarian and only for the period of time specified by the veterinarian; or
- (B) Water may be restricted or withheld temporarily by the responsible party in circumstances such as:
- (1) Preparation for administration of vaccines or medication in the water;
 - (2) Preparation for transportation; or
 - (3) Specific management practices, according to the farm's operating procedures.
-
