

Ohio Administrative Code

Rule 901:14-2-04 Fees.

Effective: January 31, 2020

(A) Processing fee schedule.

- (1) The application fee shall be one hundred dollars for each processing application.
 - (2) The annual license fee shall be five hundred dollars for processing the raw grain component of hemp for each processing site.
 - (3) The annual license fee shall be five hundred dollars for processing the raw fiber component of hemp for each processing site.
 - (4) The annual license fee shall be three thousand dollars for processing the raw floral component of hemp for each processing site.
 - (5) The annual license fee for processors using cannabinoids in human and animal food, dietary supplements, cosmetics, and personal care product for each processing site shall be:
 - (a) Five hundred dollars for wholesale production; and
 - (b) Two hundred fifty dollars for retail production.
 - (6) A processor of more than one component shall pay the annual license fee of each component.
 - (7) All samples taken pursuant to the chapter shall be taken free of charge for testing conducted by the department. The samples become the property of the department and are non-returnable.
- (B) The fees established in this rule shall be nonrefundable.
-
