Ohio Administrative Code

Rule 901:14-2-04 Fees.

Effective: November 9, 2026

(A) Processing fee schedule.

(1) The application fee shall be one hundred dollars for each processing application.

(2) The annual license fee shall be three thousand dollars for processing the raw floral component of hemp for each processing site.

(3) The annual license fee for processors using cannabinoids in human and animal food, dietary supplements, cosmetics, and personal care product for each processing site shall be five hundred dollars for wholesale or retail production.

(4) A processor of more than one component shall pay the annual license fee of each component.

(5) All samples taken pursuant to the chapter shall be taken free of charge for testing conducted by the department. The samples become the property of the department and are non-returnable.

(B) The fees established in this rule shall be nonrefundable.
