Ohio Administrative Code

Rule 901:14-2-10 Sources.

Effective: November 9, 2026

(A) All hemp processors extracting cannabinoids from hemp plant material shall obtain these materials from:

(1) A licensed hemp cultivator in the state of Ohio;

(2) A licensed cultivator under another state or jurisdiction's hemp program which has been approved by the United States department of agriculture under 7 U. S.C. 1639; or

(3) An entity residing in a foreign jurisdiction where the hemp material has been tested in accordance with 7 U.S.C. 1639.

(B) All hemp processors using intermediate hemp-derived cannabinoid products shall obtain the products from:

(1) A licensed hemp processor in the state of Ohio; or

(2) An entity residing in a jurisdiction where the intermediate hemp-derived cannabinoid products have been tested in accordance with rule 901:14-2-12 to rule 901:14-2-15 of the Administrative Code.

(C) Hemp processors may not obtain intermediate hemp-derived cannabinoid products sourced from outside entities that contain any of the following:

(1) Cannabinoids that are not capable of being naturally produced by a Cannabis sativa L. plant;

(2) Cannabinoids that are capable of being naturally produced by a Cannabis sativa L. plant and were synthesized or manufactured outside the plant; and

(3) More than three-tenths per cent combined total of total tetrahydrocannabinols including tetrahydrocannabinolic acid, and any other cannabinoids that have similar effects or are marketed to have similar effects on humans or animals as a tetrahydrocannabinol as established by the superintendent of cannabis control in lists adopted under section 928.031 of the Revised Code.

(D) Hemp processors shall maintain records indicating compliance with paragraphs (A), (B), and (C) of this rule in accordance with rule 901:14-2-18 of the Administrative Code.
