

Ohio Administrative Code

Rule 901:3-4-13 Records.

Effective: September 18, 2014

A license holder of a retail food establishment shall:

(A) For the purpose of any investigation provide the licensor, upon request and within a reasonable time, proof of origination of the foods sold at the retail food establishment.

(B) Maintain records required as a condition of a variance or a required HACCP plan.
