

Ohio Administrative Code Rule 901:5-52-01 Notice of quarantine.

Effective: [October 3, 2024](#)

(A) Pursuant to Chapter 927. of the Revised Code, the highly destructive insect *Lymantria dispar*, more commonly known as the spongy moth, is classified as a plant pest due to its invasive and devastating impact on the environment.

(B) Except as provided in rule 901:5-52-05 of the Administrative Code, no person shall transport any regulated articles as defined in rule 901:5-52-03 of the Administrative Code, from a regulated area as defined in rule 901:5-52-04 of the Administrative Code into or through a non-regulated area in the state of Ohio.
