

Ohio Administrative Code Rule 901:5-52-03 Regulated articles.

Effective: October 3, 2024

The articles listed in paragraphs (A) to (D) of this rule are regulated articles subject to the quarantine established in rule 901:5-52-01 of the Administrative Code.

- (A) The spongy moth, *Lymantria dispar*, in any living stage of development (i.e., egg, larva, pupa, or adult).

 - (B) Trees and woody shrubs, including cut Christmas trees.

 - (C) Logs, pulpwood, slabwood, firewood, and wood chips.

 - (D) Any other products, articles, or means of conveyance when it is determined by an inspector that a life stage of the spongy moth is in proximity to such articles, thereby presenting a risk of spreading the spongy moth, and the person in possession of those articles has been so notified.
-
