

Ohio Administrative Code Rule 901:5-58-02 Definitions.

Effective: June 16, 2018

As used in Chapter 901:5-58 of the Administrative Code:

- (A) "Bark" means the visible natural bark of a tree and an additional one-half inch of wood, including the vascular cambium.
- (B) "Certificate" means a document issued by an inspector which allows the movement of regulated articles.
- (C) "Compliance agreement" means a written agreement between the Ohio department of agriculture and a person that provides conditions under which regulated articles from a regulated area may qualify for entry into the state of Ohio or from the state of Ohio into another state.
- (D) "Department" means the Ohio department of agriculture.
- (E) "Firewood" means wood, either split or unsplit, in sections less than four feet in length.
- (F) Heat treated means the product has been heated to a minimum core temperature of sixty degrees Celsius and that temperature has been maintained for a minimum duration of sixty minutes.
- (G) "Pest" means the insect known as walnut twig beetle, *Pityophthorus juglandis* or the associated fungal pathogen known as thousand cankers disease, *Geosmithia morbida* or other causal agent, in any living stage of development.
- (H) "Regulated area" means either the entire quarantined state or a portion of the quarantined state to which the application of this quarantine is limited to as defined and in rule 901:5-58-04 of the Administrative Code.
- (I) "Walnut" means all *Juglans* spp.
