

Ohio Administrative Code Rule 901:5-58-04 Regulated area.

Effective: April 11, 2024

The areas listed in this rule are declared to be regulated areas where a box tree moth infestation is known to the director of agriculture to exist at a level which poses a risk of spreading the pest to non-infested areas of Ohio and other states.

(A) The following states or portions of states infested with the box tree moth as listed here:
Massachusetts, Michigan, New York and Ohio.

(B) Additional regulated areas designated as quarantined by the Ohio department of agriculture pursuant to section 927.71 of the Revised Code. Detailed maps of the regulated areas can be found by visiting the department's website: www.agri.ohio.gov.
