

## Ohio Administrative Code Rule 901:9-1-20 Required waterpark signage.

Effective: December 9, 2021

---

- (A) International pictorial signage should be used whenever possible.
- (B) The following signs are required:
  - (1) "Exit only" signs will be placed at all wave pool ladders.
  - (2) Depth of water in landing pools will be noted at the entrance to slides and around pool itself.
  - (3) In four-inch lettering (minimum), depth should be noted on both the sides and the top of all pool edges at twenty-five foot intervals.
  - (4) "No diving" signs shall be displayed around the aquatic device.
  - (5) "Prolonged exposure to wave action may result in fatigue. Exercise caution in deep water," shall be displayed at the entrance to the pool.
  - (6) "No running" signs shall be displayed throughout the waterpark.
  - (7) Signs indicating "no glass bottles or containers" shall be displayed at the entrance to the park.
  - (8) Healthy swimming signage indicating the following shall be posted at the entrance to the park and in public restrooms:
    - (a) Please don't swallow the pool water;
    - (b) Please change diapers in the bathroom, not pool side;
    - (c) Please take children on frequent bathroom breaks;

- (d) Please don't swim when you have diarrhea;
  - (e) Please wash hands with soap and water after bathroom breaks/diaper changing; and
  - (f) Please wash thoroughly before swimming.
- (C) Signs indicating various height restrictions shall be displayed prior to the entrance to the park.
-
