Ohio Administrative Code
Effective: March 23, 2017

(A) All darts used in dart games must be weighted, balanced, and have no frayed, broken, or missing feathers.

(B) The use of plastic darts is prohibited.

(C) Add-em-up dart game. This game shall be operated with no more than four darts. No major prize winning numbers or colors shall appear in extreme outside rows. At least four major winning numbers, both high and low numbers or colors, shall appear per one hundred numbers or colors on boards. No squares shall be less than one square inch.

(D) Dart suction cup. This game shall have a minimum of three-sixteenths of an inch clearance on all sides after the cup is stuck to the target.
