It is possible to match 1 or more of the "OBJECTS" up to all seven of the "OBJECTS" and prize amounts are given as listed in the PRIZE LEGEND. Central System will send this information to the terminal, along with the data of the rest of the symbols.

- Each ticket shall have one Game Play Area
 - In the play area, there will be a 10 x 10 grid with the number 1-10 printed above the grid with a number directly above a column in the grid number 1-10 from left to right.
 - Along the left side of the grid the letters A-J will be printed directly to the left of each row with 1 letter associated to each of the rows from the top of the grid to the bottom of the grid.
 - Each ticket will have 33 alphanumeric "YOUR COORDINATES" displayed. Each alphanumeric "YOUR COORDINATE" corresponds to a space on the grid.
