Table 8: Capital Cost Center

### Cost of Ownership - Property, Plant, Equipment, and Extensive Renovations

"Cost of ownership" means the actual expense incurred for:

- Depreciation and interest on any capital asset with a cost of five hundred dollars or more per item and a useful life of at least two years including buildings, building improvements that are not approved as nonextensive renovations under section 5124.17 of the Revised Code, equipment, extensive renovations, and transportation equipment. An ICFIID may establish a capitalization policy with lower minimum criteria, but under no circumstances may the five hundred dollars criteria be exceeded.
- Amortization and interest on land improvements and leasehold improvements.
- Amortization of financing costs.
- Lease and rent of land, building, and equipment that does not qualify for account 7400.

### Renovations

"Renovation" and "extensive renovation" mean any betterment, improvement, or restoration of an ICFIID started before July 1, 1993, that meets the definition of a renovation or extensive renovation established in rules adopted by the Ohio Department of Job and Family Services in effect on December 22, 1992. In the case of betterments, improvements, and restorations of an ICFIID started on or after July 1, 1993:

- "Renovation" means the betterment, improvement, or restoration of an ICFIID beyond its current functional capacity through a structural change that costs at least five hundred dollars per bed. A renovation may include betterment, improvement, restoration, or replacement of assets that are affixed to the building and have a useful life of at least five years. A renovation may include costs that otherwise would be

considered maintenance and repair expenses if they are an integral part of the structural change that makes up the renovation project. "Renovation" does not mean construction of additional space for beds that will be added to an ICFIID's licensed or certified capacity beyond its current functional capacity through a structural change.

- "Extensive renovation" means a renovation that costs more than sixty-five per cent and no more than eighty-five per cent of the cost of constructing a new bed and that extends the useful life of the assets for at least ten years.

#### Assets Acquired

8010 Depreciation - Building and Building Improvements

8020 Amortization - Land Improvements

8030 Amortization - Leasehold Improvements

Leasehold improvements are amortized over the remaining life of the lease or the useful life of the improvement, but no less than five years. If, however, the useful life of the improvement is less than five years, it may be amortized over its useful life. Options on leases will not be considered in the computation for amortization of leasehold improvements.
