Atypical items – Items that do not appear on a payment schedule, do not have a payment methodology, are not routinely covered, or do not meet ODM medical necessity criteria.  
 Exceptional PA – PA is required for all atypical items, as each item is reviewed on a case-by-case basis, there are no listed amounts or limits  
 Subcategory designations determine the difference between supplies and accessories from other items  
 PA assignment names may not always equate to the category item

Atypical items -- Items that do not appear on a payment schedule, do not have a payment methodology, are not routinely covered, or do not meet ODM medical necessity criteria.  
 Exceptional PA -- PA is required for all atypical items, as each item is reviewed on a case-by-case basis, there are no listed amounts or limits  
 Subcategory designations determine the difference between supplies and accessories from other items  
 PA assignment names may not always equate to the category item
