

Ohio Revised Code Section 1.04 Standard time.

Effective: October 1, 1953

Legislation: House Bill 1 - 100th General Assembly

The standard time throughout this state shall be the mean astronomical time of the seventy-fifth degree of longitude west from Greenwich. Courts, public offices, and official legal proceedings subject to the laws of this state shall be regulated thereby. Whenever the time of performance of any act, or the time of accrual or determination of any rights, is fixed or governed by the statutes of this state or by any resolutions, rules, regulations, or orders in effect under authority of such statutes, such time shall be the standard time provided in this section.

All clocks maintained in or upon public buildings, existing as such under the laws of this state, shall be set and run according to this section.
