

## Ohio Revised Code

### Section 1.11 Remedial laws liberally construed.

Effective: October 1, 1953

Legislation: House Bill 1 - 100th General Assembly

---

Remedial laws and all proceedings under them shall be liberally construed in order to promote their object and assist the parties in obtaining justice. The rule of the common law that statutes in derogation of the common law must be strictly construed has no application to remedial laws; but this section does not require a liberal construction of laws affecting personal liberty, relating to amercement, or of a penal nature.
