

Ohio Revised Code Section 5.032 State animal.

Effective: May 11, 1988

Legislation: House Bill 312 - 117th General Assembly

The animal, *Odocoileus virginianus*, commonly known as the white-tailed deer, is the official animal of the state. Naming the white-tailed deer as the official animal of the state does not relieve the division of wildlife of its duty to manage the deer population and its distribution.
