

Ohio Revised Code

Section 5.2250 Mitochondrial Disease Awareness Month.

Effective: September 17, 2014

Legislation: Senate Bill 300 - 130th General Assembly

The month of September is designated as "Mitochondrial Disease Awareness Month" to raise awareness of the existence, symptoms, and management of a diverse group of disorders known as mitochondrial disease that may impact either a part of the body or multiple organ systems as a result of dysfunction of the mitochondria, which are structures within cells that produce energy needed for cellular performance.
