### Section 106.02 Review and revision process.

Effective: March 23, 2015

Legislation: House Bill 10 - 130th General Assembly

---

When an agency files a proposed rule and rule summary and fiscal analysis with the joint committee on agency rule review, the joint committee shall review the proposed rule and rule summary and fiscal analysis, and an invalidating concurrent resolution may be adopted, not later than the sixty-fifth day after the day on which the proposed rule was filed with the joint committee. If, after filing the original version of a proposed rule, the agency makes a revision in the proposed rule, the agency shall file the revised proposed rule and a revised rule summary and fiscal analysis with the joint committee. If the revised proposed rule is filed thirty-five or fewer days after the original version of the proposed rule was filed, the joint committee shall review the revised proposed rule and revised rule summary and fiscal analysis, and an invalidating concurrent resolution may be adopted, not later than the sixty-fifth day after the original version of the proposed rule was filed. If, however, the revised proposed rule is filed more than thirty-five days after the original version of the proposed rule was filed, the joint committee shall review the revised proposed rule and revised rule summary and fiscal analysis, and an invalidating concurrent resolution may be adopted, not later than the thirtieth day after the revised proposed rule was filed with the joint committee.

When the original version of a proposed rule and rule summary and fiscal analysis is filed with the joint committee in December or in the following January before the first day of the legislative session, the joint committee shall review the proposed rule and rule summary and fiscal analysis, and an invalidating concurrent resolution may be adopted, as if the proposed rule and rule summary and fiscal analysis had been filed with the joint committee on the first day of the legislative session in the following January. If the original version of a proposed rule and rule summary and fiscal analysis have been pending before the joint committee for more than thirty-five days, and the proposed rule and rule summary and fiscal analysis are revised in December or in the following January before the first day of the legislative session, the joint committee shall review the revised proposed rule and revised rule summary and fiscal analysis, and an invalidating concurrent resolution may be adopted, not later than the thirtieth day after the first day of the legislative session in the following January.
